

Static Control's Multipurpose Toner (MPT6-10KG, MPT6-105KG)

This chart provides recommended fill weights in grams for the printer models shown.

Tests show satisfactory results, depending on individual remanufacturers' standards. As with any multipurpose toner product, you should determine your preferred fill weights based on your own testing.

Printer Model	OEM Cartridge SKU	OEM Stated Page Yield	Suggested Fill Weights (grams)
HP 1200	C7115A	2.5k	150
	C7115X	3.5k	225
