Xerox® Duplex Portable Scanner

Scanning and software for document organisation at home, at the office, or in the field.

Features:

- Mac® and PC compatible
- 1,000 page daily duty cycle
- 20 ppm / 40 ipm @ 200 dpi
- Scans plastic ID cards
- Bundled Software from Nuance®, ABBYY® Visioneer® and Findo®
- Scan through ADF or front feed
- EPEAT™ Registered

DIGITISE YOUR WORKFLOW

Our fast-moving, business oriented digital world still produces paper trails, and business professionals need a digital scanner that will keep up with that constant influx of paper documents, both at the office and in the field. Accuracy is vital for anything you scan, from receipts to financial statements to business cards. Xerox® Duplex Portable Scanner is the perfect tool for freeing the information trapped in paper. This versatile scanner can scan papers as small as a business card, or documents up to 216 mm (8.5") wide and 2997 mm (118") long, and save them as a PDF, JPG or other popular file formats.

The scanner is enabled by TWAIN™ or ISIS® drivers, and includes an all-around powerful software suite designed to organise your business-critical information and convert it to searchable and editable data. The third party software suite delivers easy image enhancement, optical character recognition (OCR), organisation, and intelligent search (see software description on next page).

The Visioneer OneTouch interface is integrated with the front high-resolution LCD display, showing the preset details about the 8 different scanner configurations and streamlining workflows with preassigned destinations at a touch of a button.

Compatible with both PC and Mac platforms, the Xerox® Duplex Portable Scanner can be powered using either two USB cables, or a wall plug (provided). The multi-page ADF is fully configurable, and can be set up so a front fed document will exit from the back or the front, as desired. The scanner trays fold up when not in use for portability and a space-saving footprint. When the trays are unfolded, the Duplex Travel Scanner becomes a robust desktop scanner with speeds of up to 20 pages per minute (40 ipm) at 400 dpi, and a 1,000 sheets per day competitive duty cycle. (Note: You will achieve higher performance by using the AC power rather than USB power.)

For Mac® users, we provide the most fully featured TWAIN™ driver in the market today, ICA support, and a simple, yet powerful Scan Utility, allowing you to get started right out the box.

ABBYY® Fine Reader Sprint is the OCR solution for either platform.

The Xerox® Duplex Portable Scanner is a perfect scanning solution for companies of any size, in any industry, from legal and healthcare, to insurance to finance, and everything in-between. It is an all-around solution for onganising and controlling business-critical data.

Scan through the ADF or through the front feed.

Xerox® Duplex Portable Scanner Software and Specifications

VISIONEER® ACUITY (PC)

Visioneer Acuity with DriverPLUS technology enables your scanner to instantly improve the visual clarity of scans. Using advanced algorithms, Acuity corrects documents containing imperfections, improves the quality of scanned images for archiving, and increases OCR accuracy.

VISIONEER® ONETOUCH® (PC)

OneTouch connects your scanner with powerful settings so that, with one touch of a button, the scanned document is automatically sent to e-mail, your printer, a file folder, or to one of many cloud destinations.

ABBYY® BUSINESS CARD READER (PC)

Recognises 22 languages and easily transfers contact information from scanned business cards into your smartphone address database or its own digital storage catalog.

ABBYY® FINE READER SPRINT (MAC® & PC)

This easy-to-use OCR tool reduces the need for retyping and paper storage, instantly converting your scans into various file formats, including searchable PDFs. It accurately reads documents in up to 179 languages and precisely preserves the original document's layout and formatting.

VISIONEER TWAIN™ DRIVERPLUS

DriverPLUS offers an impressive array of settings to enable precise customisation of the scan – far beyond current TWAIN specifications and user experience. DriverPLUS also delivers Parallel Scanning, allowing multiple same-model scanners to be connected to a single PC and run concurrent jobs. Visioneer Acuity integration adds intelligent image enhancement and PC Optimisation to enable full-speed scanning.

DESKTOP DOCUMENT ORGANISER

To simplify managing your scans, a desktop organiser application combines the efficiency of document management with convenient access, viewing, editing and conversion of your scanned documents. Gain a new level of control and productivity in managing and sharing your scans.

TWAIN™ FOR MAC

The Mac TWAIN driver offers all of the features of Acuity Image cleanup built in, including Blank Page Removal, Auto Colour Detect, Auto Rotate and much more. It also includes a digital endorser to add text to your images, the ability to read bar code data (3rd party software required to interpret bar code data), and merge 2 sides.

VISIONEER SCAN UTILITY FOR MAC

A simple but effective scan utility allows you to take full advantage of all of the drivers' features. Just set your driver preferences, select an image format and file destination, and start scanning.

Xerox® Duplex Portable Scanner Product Specifications

Model Number	XDS-P
Xerox Part Number	100N03261
ADF Scan Speed (colour or B&W) (Powered by AC Power) On A4 size paper, Portrait orientation	15 ppm / 30 ipm @ 300 dpi
	20 ppm / 40 ipm @ 200 dpi
Scan Speed through front feed (Powered by AC Power)	4 seconds per page @ 300 dpi
	3 seconds per page @ 200 dpi
Optical Resolution	600 dpi
Output Bit Depth	24-bit colour, 8-bit greyscale, 1-bit B&W
Scan Method	ADF or Front Feed
Scanning Media Supported	Paper, plastic ID cards, photos
Image Sensor	CIS (contact image sensor)
Light Source	LED (Light Emitting Diode) instant on
Interface	USB 2.0
Maximum Card Thickness	1.25 mm (0.051")
Dimensions (Trays Collapsed) (W x D x H)	299 x 104 x 74 mm (11.78" x 4.1" x 2.93")
ADF Minimum Document Size	57 x 51 mm (2.25" x 2")
ADF Maximum Document Size	216 x 2997 mm (8.5" x 118") @ 300 dpi
Document Weight	16 - 28 lbs. (50 ~ 105 g/m²) paper
ADF Capacity	20 sheets (20 lb., 75 ~ 90 g/m² paper)
Weight	1.5 kg (3.3 lbs)
Duty Cycle	1,000 pages

BOX CONTENTS

- Xerox® Duplex Portable Scanner
- USB Cable
- Power Supply
- Power Plug Adaptors
- Quick Installation Guide
- Technical Support Card
- Warranty Card
- Quick Install Card
- ADF Pad Assembly
- DVD includes:
  - User's Manual
  - Visioneer OneTouch with Acuity
  - ABBYY® Fine Reader Sprint
  - ABBYY® Business Card Reader 2.0
  - Desktop Organizer Software
  - Visioneer TWAIN™ DriverPLUS,
  - TWAIN, ISIS and WIA Drivers

MINIMUM SYSTEM REQUIREMENTS

- **PC:** Pentium® 4 or equivalent processor
- **Mac:** OS X (10.9 – 10.12) with Intel® Core processor
- Compatible with:
  - Windows 10 Pro, Home , Enterprise and Education
  - Windows 8/8.1 Pro, Core and Enterprise
  - Windows 7 Pro, Home , Enterprise and Ultimate
- 2GB RAM
- 350 MB available hard disk space
- DVD-R drive capable of playing dual layer DVDs
- USB port
