*Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. **"Recommended Monthly Page Volume" is a range of pages that helps customers to evaluate Lexmark's product offerings based on the average number of pages that customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed and typical customer usage. ***Average continuous mono declared yield in one-sided (simplex) mode of up to this number of pages in accordance with ISO/IEC 19752. Actual yield will vary considerably depending on many factors. See www.lexmark.com/yields for more information.
