7.2 cm colour touch screen
RMPV of 600 - 2,500 pages**
Standard input up to 251 pages
Maximum input up to 751 pages
Gigabit Ethernet and Wi-Fi

CX431adw

24 ppm*
7.2 cm colour touch screen
RMPV of 600 - 2,500 pages**
Standard input up to 251 pages
Maximum input up to 751 pages
Dual-band Wi-Fi
Gigabit Ethernet
Double-side automatic scanner
Analogue fax

Not all products are available in all geographical regions or countries. Please consult your local sales/product management to confirm the specific products and availability dates for your location.
*Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. **"Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ***Average continuous black or continuous composite colour (CMY) declared yield in one-sided (simplex) mode up to this number of pages in accordance with ISO/IEC 19798. Actual yield will vary considerably based upon many factors. See www.lexmark.com/yields for more information.

Built for small spaces

Small footprint fits almost anywhere.

Light weight makes it easy to unpack and set up.

Replace one-piece toner supplies easily from the front of the printer.

Paper exits towards the front so it's easy to grab and go.

Work from anywhere

Wi-Fi can be easily configured for use with your existing network or using Wi-Fi Direct ®

Mobile support includes Lexmark Mobile Print app*, AirPrint, Google Cloud Print, Mopria™, and Windows Mobile

Lexmark Cloud Connector works with services like Box, Dropbox, Google Drive, and OneDrive

Front USB port lets you print directly from a USB stick**

Print over the network via ethernet

*Available for iOS and Android devices. **Available on some models.

© 2020 Lexmark International, Inc. All rights reserved.

So easy to keep going…

… you may only need to replace the toner

One-piece cartridges feature Unison™ toner, with replacement cartridges available in Extra High Yield capacity

If you run out of colour toner, you can **keep printing in black**

Waste-toner bottle with yield of up to 15,000 pages **may never need replacement**

Steel frames for **durability**

Lifetime fuser*

*Expected fuser yield exceeds expected life of product. Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity.
