HL-2240D Compact High Quality Monochrome Laser Printer with Automatic Double-sided Printing

Reduce paper usage with double-sided printing
With the automatic double-sided printing, you can save on paper and reduce paper usage in your office by printing on both sides.

Increase productivity with high print speed
You will appreciate being able to print quickly at up to 24 pages per minute (ppm). Sharp, crisp text and accurate reproduction of fine details are a given too, with the HL-2240D's high print resolution for outstanding results.

Keep costs low
With the HL-2240D, you get a choice of standard and high yield toner to perfectly match how much you print. The bundled drum prints up to 12,000 pages before replacement is required. All Brother supplies, including the drum, can be replaced individually, saving you money as you only pay for what you have used.

Environmentally-friendly
The HL-2240D's Energy Star certified energy efficiency means low power consumption for you.
