

HP LaserJet 1018 Printer

Enjoy HP LaserJet quality without exceeding your budget. HP's most affordable mono laser printer with reliable HP LaserJet print cartridge delivers impressive results at a very low price. Its sleek, compact design saves valuable desktop space.

HP LaserJet 1018 Printer

Perfectly priced for the home office and personal use, this mono laser printer delivers the proven reliability and performance to meet your professional printing needs.

HP's lowest priced mono laser printer makes high-quality laser printing affordable.

- Create outstanding, professional documents with 1200-dpi effective output quality (600 x 600 dpi resolution)
- Depend on proven HP LaserJet printer and print cartridge technology for reliable, consistent results every time you print
- Rely on a 150-sheet input tray, a single sheet priority input tray and a 100-sheet output bin
- Supports plain paper, envelopes, transparencies, card stock, postcards and labels.

Save valuable space with this sleek, compact laser printer that delivers fast results.

- Conveniently small size and space-saving design makes it ideal for the desktop
- Complete print jobs quickly with fast results at up to 12 ppm
- Thanks to HP's Instant-on Technology, you can print a first page from PowerSave mode in less than 10 seconds*.

This intuitive laser printer is easy to set up, use and maintain.

- Rely on Hi-speed USB 2.0 connectivity for easy installation and use
- Includes 2MB RAM and a duty cycle of 3,000 pages per month
- Count on support for a wide range of operating systems including Windows® 98, SE, ME, 2000 and XB 32-bit
- Installation and replacement of the all-in-one HP LaserJet print cartridge is simple and convenient.

*In addition to fast ppm speeds, most HP LaserJet printers include Instant-on Technology, which delivers a first page out from PowerSave mode in industry-leading times, according to Quality Logic Printer Performance Test Reports from August 2005. The technology utilises an innovative, quick-heating fuser system that virtually eliminates warm-up time.
