Print, copy, scan

HP LaserJet Pro MFP M125nw

This affordable HP LaserJet Pro MFP is easy to install and delivers crisp, clear documents. Print, copy, and scan with one, compact device that fits neatly into small office spaces.

Extend your printing reach
- Spread printing across the office. Set up anywhere with built-in wireless printing.[4]
- Keep up with the pace of business—print, copy, and scan at high speeds.

Print on your terms
- Print from virtually anywhere—using your smartphone, tablet, and PC—with Apple® AirPrint™.[2]
- Connect to your wireless printer in a snap, using wireless direct printing.[1]
- Print from your mobile device with built-in print capability or HP ePrint app and software.[3]

Handle the essentials
- Speed through document tasks. Set the pace for success with an MFP that prints, copies, and scans—fast.
- Easily copy both sides of a two-sided ID or other small document onto the front of a single-page.
- Just start printing, quick and easy—with the simple control panel.

[1] An app or driver may be required to use HP wireless direct. For more information, see hpconnected.com. Wireless performance is dependent on physical environment and distance from access point.

[2] Supports OS X® Lion, OS X Mountain Lion and the following devices running iOS 4.2 or later: iPad® (all models), iPhone® (3GS or later) and iPod touch® (third generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your OS X or iOS device. Wireless performance is dependent on physical environment and distance from the access point. OS X, iPad, iPhone, and iPod touch are trademarks of Apple® Inc., registered in the United States and other countries. AirPrint™ and the AirPrint logo are trademarks of Apple Inc.

[3] Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent upon physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an internet connection to a HP web-connected printer. App or software may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.

Ordering information

---

1. Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/products1/ISO/MMDPP/index.html. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
2. First Copy Out and Copy Speed measured using ISO/IEC 29183, excludes first set of test documents. For more information see hp.com/products1/ISO/digital_copy/index.html. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
3. May require a firmware upgrade to be compatible, download at hp.com/go/support
4. Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
5. HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
6. Driver only installs supported on: Windows Server 2012; Windows Server 2008 (32-bit), Windows Server 2008 (Standard Edition), Windows Server 2008 (Enterprise Edition), Windows Server 2003 (32-bit) (SP1 or higher)
7. Values subject to change. Power numbers are the highest values measured using all standard voltages. See hp.com/support for current information. Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
8. Measured according to ISO 7779 and declared in accordance with ISO 9296; values are subject to change. For current information, see hp.com/support. Configuration tested: LaserJet Pro MFP M125nw printing simplex on A4 paper.
9. Replacement cartridge average declared yield ~1500 pages based on ISO/IEC 19752 and continuous print. Actual yields vary considerably based on images printed and other factors. For more information, visit: hp.com/go/learnaboutsupplies
