Professional-quality printing for you.
Cost efficiency for your business.

SMART PRINTING.
BUSINESS INNOVATION.

INCREASE WORK PRODUCTIVITY WITH PROFESSIONAL PRINT QUALITY AND COST EFFICIENCY

Overview

Elevate your business with cost efficiency and professional printing

In today's competitive marketplace, businesses cannot afford devices that slow them down. Today's printers need to be cost-effective and ensure professional-grade professional-grade print quality and high productivity for fast printing. A smart printing solution with exceptional performance and low maintenance cost is sought by every successful business.

Samsung's new ProXpress C3060 series provides businesses with the cost efficiency, professional print quality, and fast printing speed they need. The larger toner capacity reduces Total Cost of Ownership, and Samsung's IFS technology reduces power consumption. Businesses can also count on high-quality print and copy output with the finest details thanks to Samsung's ReCP technology. Samsung's ProXpress C3060 series ensures better productivity by cutting print times with exceptionally fast print speeds, and even allows businesses to expand their work range with support for a variety of thicker paper types. The C3060 series gives small and medium-sized enterprises the tools they need to compete at a higher level.

WORRY LESS ABOUT COSTS WITH MONEY-SAVING TECHNOLOGY

Lower Total Cost of Ownership with larger toner capacity

The high capacity toner cartridges yield 8K in mono and 5K in color, supporting businesses that have heavy print demand and cutting cartridge costs. Long-lasting consumable parts reduce maintenance costs significantly.

COLOR AND REMARKABLE PRECISION

### Enhanced graphic quality with Samsung's ReCP technology

Paying attention to details is critical for professionals. Samsung's ReCP technology built into the Samsung ProXpress C3060 series ensures crisp details, making sure even the smallest printed text is legible. It also gives you clean text and image scans, reducing blurry patterns.

ReCP
Up to
9600 x 600 dpi

High-quality print and copy output with crisp details

Images require accurate color expression and precise details. With the Samsung ProXpress C3060 series, you can print images with the natural colors of the original image, including all the small details with a wider contrast range, and even complex blue prints with intricate details.
