· 1,200 x 1,200 effective dpi (dots per inch) resolution.

Additional printing choices for professional documents

Reduce operating expenses with economical features and solutions

Professional eco solution
· Easy Eco Driver enables users to set options to remove unnecessary text or images and also change the layout such as N-up printing without changing the original documents prior to print.
· One Touch Eco Button automatically activates 2-up (two pages on one side of the paper) and duplex printing, toner-save mode, and the option to skip blank pages.

More toner options, more choices for cost reduction
