

Toner Fill Weight Chart

Universal High Density Toner

For Remanufactured Brother® Cartridges

Our replacement universal high density Brother® toner produces high quality prints across a broad range of printers when used with our OPC drums as well as OEM OPC drums. It delivers solid print performance without the flaws commonly seen with other aftermarket Brother toners.

Printer Model	OEM Cartridge Part Number	OEM-Stated Page Yield	Suggested Toner Fill Weight
Brother® HL-2040 & Related	TN-350, TN-2000, TN-2005, TN-2025, TN-2050, TN-25J	2.5K	100g
Brother® HL-2170 & Related	TN-360, TN-2120, TN-2125, TN-2150, TN-2175, TN-26J	2.6K	110g
Brother® HL-5250 & Related	TN-580, TN-3180, TN-3185, TN-37J	7K	200g
Brother® HL-5350 & Related	TN-650, TN-3280, TN-3290, TN-48J	8K	225g
